

The L.E.A.P. Ledger

May, 2023

Lutheran Education Advancement Partnership (LEAP) is an organization that partners with St. John's Lutheran School with the mission to provide strong, Christ-centered education opportunities for families in our community. For more than 175 years, St. John's has been a leader in education in the Marysville community, and LEAP aims to ensure those opportunities continue long into the future. We achieve that goal through non-operational funding for

the school and its students including scholarships and tuition assistance, curriculum funding, and the support of needed projects and upgrades throughout the school. We also engage with community members, current school families and SJLS alumni, because we truly believe it takes a village. Our goal with this newsletter is to keep each of you connected with what LEAP continues to offer in their mission.

Letter from the President

First and foremost, CONGRATULATIONS to our graduating 8th grade students. The hard work and dedication over your years at St. John's have prepared you for a successful future regardless of where you're headed, and the friendships and memories you have gained will stick with you forever. From a fellow alumnus- welcome to the family! In a time with so much change, we have been talking within LEAP about our goals and where we fit into the larger picture. We always end up at the same resolution—our mission focuses fully on the success of the students at St. John's. While we remain excited for the future, we also remain focused on the here and now, and how we can help set the current students up for success. There's no better time to reflect on that vision than as we prepare to send another great class of young people out into the world!

We are also very excited to have dates set for this year's Annual Golf Outing and LEAP Benefit Gala. This year, the events will be on separate weekends with the Golf Outing staying in the summer (July 15) and the Benefit Gala moving to the fall (September 30). Registration for the golf outing is currently live on the website and information for the event is included in this newsletter. Keep an eye out for information on registration for the Benefit Gala soon. We are in need of volunteers and sponsors for both events, so if you are interested or need Engagement hours, please reach out to a LEAP member for more information. Whether you attend one or both events, volunteer, or sponsor, or if you are unable to do any, please keep these events in your prayers and please help spread the word!

Lastly, we continue to look for new additions to our committee. We recently voted to extend the terms of the current executive board for another year while we attempt to grow our committee and determine the best way forward. If you or someone you know may be interested in attending our regular meetings, helping on one of the event committees, or volunteering in another way, please reach out to one of us!

We are so thankful for your continued support and support of SJLS and its students! Make sure to follow us on Facebook and visit our website at www.LEAPStJohns.com to join our mailing list to stay up to date with everything happening!

In Christ,

Austin Clarridge, LEAP President

Come celebrate these 8th grade students at their graduation on May 23 at 6:30 p.m. in the gymnasium! Also, May 17 at 6:00 p.m. is the preschool celebration and May 18 at 6:00 p.m. is the Alt-K & Kindergarten celebration/graduation.

Staying Connected with Each Other:

On April 15, LEAP hosted a social hour at The Ridge. The evening was an informal event of connecting with old and new friends of St. John's. Some of the attendees were school parents, teachers, St. John's alumni, church families and friends of LEAP. We all enjoyed the evening that was filled with food, drinks, great conversations, games of euchre, sports on the TV's, and just connecting with each other in such a relaxed atmosphere. Stay connected with us on our Facebook page and website for future events.

Your contributions at work:

We continue to thank you for your support to LEAP. We are able to help the students of St. John's Lutheran School in so many ways because of each of you.

LEAP has pledged \$40,000 towards 2023-24 school year worship and engagement scholarships, along with up to \$5,000 in referral scholarships.

LEAP, along with the Board of Christian Education and the Athletic Department, purchased much needed upgrades to the bleachers in the gymnasium. Improvements include new up-to-code railings and automatic motor to help stow and pull out the bleachers. These bleachers will not only be utilized for athletic events but also for school programs which are held during the school day for students; seating for graduations, musicals and many other school programs; church events; etc.

LEAP has purchased 8th grade graduation banners that are displayed in front of the school. These individual banners will be presented to the graduates.

Please visit our website www.leapstjohns.com or the church website to donate so we can continue to offer our students with so many opportunities.

Save the Date

September 30, 2023
LEAP Annual Benefit Gala
Held at St. John's School

The 2023 LEAP Gala planning is starting! Our theme for the evening will be "Passing the Baton of Faith".

We are looking for individuals who care about the mission of LEAP to join us in this effort. Some of these opportunities will only be in the planning stages, some during the event, and some will continue through the entire process. For all school parents and grandparents, remember all these can count towards your engagement hours. Opportunities include designing print material, decorating committee, advertising the event through social media and other ways, running technology during the event, gathering auction items and sponsorships, photography during the event, check in, childcare during the gala, etc. Please reach out to leapstjohns@gmail.com if you would have any interest or questions on any of these opportunities.

We will be providing daycare during the evening of the Gala for children of attendees who are ages three and above and potty trained.

Come early to check out the silent auction/raffle items, mingle with old friends and meet new friends before being seated for dinner and the program. A live auction will take place after the program.

Stay connected with us as more details will follow!! Make sure that you save this evening on your calendar. It really is a fun evening! We hear every year how people are so surprised how great of a time they have. So please join us and help support the students of St. John's Lutheran School!

LEAP will be providing sponsorship opportunities for the Benefit Gala as well as the Golf Outing. We will also be in need of raffle, silent and live auction items.

L.E.A.P. MISSION STATEMENT

“Lutheran Education Advancement Partnership” (LEAP) exists in Christ to educate and equip current and future St. John’s students by engaging family, friends and alumni through the investment of charitable resources and spiritual guidance.

Train up a child in the way he should go and when he is old, he will not depart from it. Proverb 22:6
